Tim Flach: Stern Fotografie No. 74

Synopsis

Award-winning photographer Tim Flach has built an exceptional reputation for creating compelling images of animals that captivate and enthrall photography buffs and animal lovers alike. His commissions include such world-renowned publications as National Geographic and The Sunday Times. He combines artistic originality with an intuitive genius for capturing every creature's distinctive quirks and traits. As he puts it himself, his work explores "how we shape nature and how it shapes us." In doing so, we see how our perceptions affect the reality around us-- high-lighting the deep bond we share with other members of the animal kingdom.

Book Information

Customer Reviews

This big book. Beautiful photographs.....interesting, unusual and gorgeous.

Gorgeous book. Ours came with the cover corner a little smashed in, but since it was for me and not a gift I didn't send it back.

The photos are stunning. I can only recommend it. Very nice!

What an artist.

nice
