Wicked: The Grimmerie, A Behind-the-Scenes Look At The Hit Broadway Musical

Synopsis

Wicked is not just a musical, it is a phenomenon. Every week, 15,000 people pack New York's Gershwin Theatre to see the show. The most successful musical on Broadway in 2004, Wicked is based on the bestselling novel of the same name by Gregory Maguire. It tells the story of Elphaba, the headstrong Wicked Witch of the West, and Glinda, the good witch, growing up in the Land of Oz. The show has cast a spell on fans, many of whom return for second and third viewings. In 2005, the show begins an extensive tour across the United States and Canada, hitting major cities such as Toronto, Chicago, Los Angeles, San Francisco, Washington, D.C., and many more. This beautifully packaged, whimsical keepsake is designed to resemble the Grimmerie, an ancient book of spells that Elphaba uses in the show. Wicked: The Grimmerie offers fans a behind-the-curtains peek at the musical, profiles of the cast and creative team, and inside stories, with full-color photographs throughout. Some of the irresistible special features include an "Ozian" glossary, spells, an illustrated family tree, and a step-by-step look at how Elphaba gets green before each show--everything fans need to relive the Broadway experience day after day.

Customer Reviews

Finally, after months of waiting (and a whole week early!). Wicked: The Grimmerie is here. Some may be wondering if they should buy this book, and I'm here to tell you. The Good News: The cover and design of the book is amazing. The cover looks old and worn and is even padded. The intricate designs are textured and the book is nice and heavy and thick. The inside design is incredible. Each

page (printed on very heavy paper) is made to look old, worn and stained and it's wonderful to look at. As for the actual contents... wow. The production photos are brilliantly printed and include photos from the following casts: Original Broadway Cast, 2nd Broadway Cast (Jennifer Laura Thompson and Joey McIntyre), Original Tour Cast (Stephanie J. Block and Kendra Kassebaum), and the 3rd Broadway Cast (Shoshana Bean and David Ayers). There are very few new photos but there are some. Most of them are from the tour cast (most of Kendra and some of Stephanie and one small one of Carole Kane). There are many interviews with every cast member and many from Gregory Maguire (writer of *Wicked* the novel) and Stephen Schwartz and Winnie Holtzman (writer of script). There is a step-by-step page of how Stephanie gets green before each show. They have a page dedicated to the dance Elphaba does in "Dancing Through Life" and they teach it to us step-by-step. They have many photos of props and sets and wigs, as well as original costume and set sketches. There is a handwritten page from the book and an early version of *Defying Gravity*. There is commentary on each song by Mr. Schwartz and this isn't even all of it. So much information to soak up!

The Wicked News: Unlike what some people are saying, the book DOES NOT INCLUDE THE FULL SCRIPT.
