General And Oral Pathology For Dental Hygiene Practice

Synopsis

Be prepared to provide the very best care to your patients! Develop the foundation in pathology you need to recognize the signs and symptoms of the oral conditions and the manifestations of systemic diseases you'll encounter in clinical practice. Step by step, you'll learn about the etiology of each disease or condition, how to recognize it, what the diagnostic process is, how the disease progresses, and what the treatment options are. Concise text and full-color photographs, complemented by animations of pathological processes online at DavisPlus, show you exactly what you need to know. Interactive case studies and critical-thinking exercises prepare you to make the correct patient care decisions.

Book Information

Hardcover: 576 pages

Publisher: F.A. Davis Company; 1 edition (August 26, 2014)

Language: English

ISBN-10: 0803625774

ISBN-13: 978-0803625778

Product Dimensions: 8.2 x 0.8 x 10 inches

Customer Reviews

I bought this book for my class and it's great!

This book is very informative and has a nice set up of each chapter.
