The Sand Lady: An Ocean City Maryland Tale (Schiffer Book)

Synopsis

Travel back in time to the early twentieth century as the magical Sand Lady takes a young girl on vacation to Ocean City, Maryland, as she remembers it. See the Atlantic and Plimhimmon hotels, have ice cream at the Sugar Bowl, tea at Conner's restaurant, and a carousel ride at Trimper's Luna Park. It is a trip she (and you readers) will never forget! Entertaining and educational for readers of all ages, this story also features a map of old Ocean City, more than forty vivid watercolor illustrations of Victorian architecture and Ocean City landmarks, a glossary, and a timeline. This book will broaden the horizons for all young people who have visited this beloved shore resort, and for the young-at-heart. Written by a professional educator and textbook writer, it is also an excellent instructional book for the classroom. Middle grades ages 8-12.

Customer Reviews

Everything at the beach is covered in this book from 'The Sand Lady'. She knows her stuff! The concern for the natural world and the years gone by are both present in this gem. It is just a treat to read and brings alive the old time spirit of a day by the sea. I spent many a day on that Ocean City boardwalk! There is plenty to learn and more to see in the lovely illustrations. A wonderful book for a child headed on a beach vacation or just dreaming of one! Good transaction, fast shipping, all was good. Love that I can go through my friends dog rescue

service site and then some of the proceeds go the dog rescue and all the vet bills and dog food etc.
