A MUST HAVE FOR DENTAL STUDENTS!!! This book really breaks it all down and makes it easy to understand. Plus there are flashcards in the back you can use to make your own study guide.

book is really good, explanations are very easy to understand. but the rental book was really used, a lot of highlighting and writing even in the pictures.

Only thing wrong with this book is that a few of the flash cards were missing.

Book is very detailed and exactly what was needed for my classes.

This book is amazing!!!!

Everything was ok
