Synopsis

Have you ever visited San Antonio, or are you planning to visit in the near future? Rated as one of the top destinations in the world for 2016, San Antonio has a tremendous number of fun and unique things to see and do. Many people visit and never leave the Alamo, River Walk, and downtown area. While they are all 'must-see's', there are hundreds of things that you MUST do while you're visiting San Antonio. If you don't, you won't grasp the full beauty of this city, state and unique culture that San Antonio offers. Follow current San Antonio resident and frequent traveler Jeff Wells, as he relives 5 perfect days in San Antonio, which ultimately set the stage for a wonderful life in Texas for Jeff and his wife (then girlfriend), Kristen. From food, to lodging, to shopping, to all of the sites to see, this will be one of the most action-packed 5 days you will ever read. Jeff also discusses certain aspects of the Texas real estate market and local economy, as his journey first brought him to San Antonio to purchase a home, and now his career revolves around the San Antonio real estate market. If you have visited San Antonio, or plan to visit this is a 'must-read'!

Customer Reviews

There's lots about their real estate activities, some about the Hill Country, and some about San Antonio. All of it shot through with puffery. And a discursive style. Very little help for our upcoming trip.
