## Customer Reviews

I'm hoping to build my brand using Instagram and this was a short & simple read to start with! It seems like it was written a while back, and some of it seemed a bit obvious to someone like me who already using Instagram daily... But it was a great place to start! Would recommend to beginner Instagram users & well as those who are starting a new company & wanting a few basic tips to build a following.

Simple and concise, it provides great advice to increase Instagram visibility. Well done!
