Lonely Planet Polish Phrasebook & Dictionary

Synopsis

Lonely Planet: The world's leading travel guide publisher Anyone can speak another language! It's all about confidence. The mother tongue of illustrious personalities such as Copernicus, Chopin, Joseph Conrad, Marie Curie and Pope John Paul II has a fascinating and turbulent past and symbolises the resilience of the Polish people in the face of domination and adversity. Never get stuck for words with our 3500-word two-way dictionary Order the right meal with our menu decoder Avoid embarrassing situations with essential tips on culture & manners Coverage includes: Basics, Practical, Social, Safe Travel and Food. Lonely Planet gets you to the heart of a place. Our job is to make amazing travel experiences happen. We visit the places we write about each and every edition. We never take freebies for positive coverage, so you can always rely on us to tell it like it is. Authors: Written and researched by Lonely Planet and Piotr Czajkowski. About Lonely Planet: Started in 1973, Lonely Planet has become the world's leading travel guide publisher with guidebooks to every destination on the planet, as well as an award-winning website, a suite of mobile and digital travel products, and a dedicated traveller community. Lonely Planet's mission is to enable curious travellers to experience the world and to truly get to the heart of the places they find themselves in. TripAdvisor Travelers' Choice Awards 2012 and 2013 winner in Favorite Travel Guide category 'Lonely Planet guides are, quite simply, like no other.' - New York Times 'Lonely Planet. It's on everyone's bookshelves; it's in every traveller's hands. It's on mobile phones. It's on the Internet. It's everywhere, and it's telling entire generations of people how to travel the world.' - Fairfax Media (Australia)

Customer Reviews

I recommend Lonely Planet phrase books for ever foreign adventure. It's a lifesaver! They're broken down into easy to find subjects and the pronunciation breakdown is accurate.... unless it's Polish and then you can just point to what you want to say. I can hold my own with German but my American mouth just can't make Polish sounds.

The size is PERFECT for toting around while you are out exploring a foreign country. It has more info and sayings than I think I would ever use in casual conversation. Great book and I highly recommend it.

I feel as though I need to apologize to an entire country for purchasing the wrong book. With limited space, I thought this one would pack well. Most of the things I need are not anywhere in this book or so difficult to find, my situation is over before I can get to the phrase. Buy a dictionary, it will serve you better. I have never needed to tell someone I was too drunk.

Didn't really know what I wanted when I ordered....just needed something to help with basic Polish phrases I might need or hear during local Polish Festivals...if not the best choice, it is very helpful.

I have been studying Polish off and on for the past year and a half. This little book has very concise info about Polish grammar and practical phrases.

I found it useful for specific words and phrases and by writing them down was able to get help. This language is very difficult for me -- so I was unable to say much -- but the book proved valuable.

I use this phrasebook as preparation for each trip and learn something new and useful each time. And it's compact size makes it easy to take it with me when going out to shops or restaurants.

This was a handy book to have on my visit to Poland. Polish is not an easy language but the Polish people are very friendly and helpful and the trip went great!
