Customer Reviews

It's okay - purchased as a gift for our niece (6 years old) who was moving to Austin - there are some things that I didn't think were appropriate for her age (war), so maybe better for an older child

I wanted a book about Austin and assumed that the whole book or at least most of it was about Austin. But only about 12 pages are Austin, and the rest 75% are about Texas in general.

Perfect for our kids who are new to Austin

Great Buy! Used to teach 4th grade class!

The kids liked it.
