# Passive Income With Covered Calls: Using Covered Calls, High Dividend Yields, And Puts For Low Risk Income

## Synopsis

Do you want to earn monthly income from covered calls while limiting risk? Do you want to learn how call and put options work? Then this book is for you! You will learn how to earn passive income by: • Writing Covered Calls • Using puts to protect your investment • Earning dividends while also earning covered call income This book uses easy to understand language and simple math to show you exactly how covered calls and other option strategies work. Even if you have never read a book about options before! We discuss all of the benefits and risks of using this three-pronged investment strategy to maximize your income while substantially limiting the risk associated with this type of trading. We also provide you with an explanation of the "Greeks", how options are priced, and the mechanics behind both put and call options.
