Cash Value Maximizer: How To Get The Highest Actual Cash Value For Your Vehicle In Less Than Two Hours

Synopsis

This ebook is for people who have had the unfortunate experience of being in a total loss car accident and need help getting the full cash value from their insurance company. It reveals A PROVEN way to show the insurance company REAL PROOF your car is worth way more \$\$\$ than what they say it is. And what is great about this is... You Don't Need Expert Appraisal Skills You Don't Need Weeks to Set This Up You Don't Need Any Fancy Software You Don't Need To Spend Lots Of Money You Don't Need Special Tech Skills Just Follow This Step-By-Step System That Works Every Time

The insider secrets in this ebook reveal:

- How to get top dollar for your car even if it is a total Junker (before the accident)-
- The only proven way to settle your car claim for top dollar fast-
- The one thing you must never do | or it's game over-
- Why using online book values can actually make you lose money on your claim-
- Why asking your insurance adjuster this one question may be the most profitable thing you do for your claim-
- A dirty little secret most insurance adjusters hope you never find out-
- 17 items that actually increase a car's value that most insurance adjusters will deliberately leave out of their cash value appraisal-
- A way to turn the tables in your favor that will practically have your insurance adjuster begging to you settle your claim... before it cost them even more money-
- One weird (but effective) little trick that will literally force your insurance adjuster to increase their cash offer without you having to lift a single finger-
- A clever (and very sneaky) way to give your opinion of your car value an instant credibility factor | and forces any insurance adjuster to have no choice but to agree with you-
- How to use the "pile-it-on" technique to boost a higher perceived car value-
- A secret way to discover that "magic price" that will work best to get the highest claim payout-
- How one simple thing (no one thinks to do) that can completely "wipe-out" the insurance adjusters evidence | and thus | leaves you holding the best evidence-
- 30 sources to discover the best (and highest valued) comparable cars | the insurance company will use only 2 or 3 at most-
- How to glide through the claim negotiating process | keeping problems to a minimum and maximizing your claim payout

As you can see, I made this easy for anyone to knock-out a highly effective cash value appraisal for any total loss vehicle. If your car is being under valued by the insurance company, the information contained in this ebook is worth every penny to getting paid the full value you deserve.
